All products are supplied as 'Child Safe' to comply with **BN EN 13120**. If supplying us with your own size: **Please ensure you supply us with the FIXING HEIGHTS** for every blind you order - this is especially important if you require 'Breakaway Connectors' on roller blind chains. It is the responsibility of all suppliers and installers of window furnishing products to ensure that these products are installed using any chain or cord retainers supplied, instructions are left with the end user and that your customers understand how to operate their blinds correctly and safety.
PLEASE - Make it Safe.
