Quotation Reference: 70300.1 for Dimming Roller Blind

Description	Price	Quantity	List Price
ARP I 001 Z-Wave Solar 94x160cm	£362.00	2	£724.00

The ARP roller blind provides protection against sunlight by pleasantly shading the interior during sunny days. When pulled down, it will also eliminate any dazzling sunlight.

The wide range of colours and patterns of the blind fabrics enhance the interior's aesthetics and allows you to match the decor of any room. Side aluminium guides cover the edge of the fabric and additionally limit the amount of the incoming sunlight.

ARP I 001 Z-Wave Solar 134x98cm	£361.00	4	£1,444.00
---------------------------------	---------	---	-----------

As above

ARP I 001 Z-Wave Solar 134x140	£373.00	2	£746.00
--------------------------------	---------	---	---------

As above

ZRH12 Remote	£131.00	1	£131.00
--------------	---------	---	---------

With a modern design and LED display, the ZRH12 remote control is a white control with a grey digital screen.

Total (ex. tax) £3,045.00

To conform to Part L building regulations, roof windows should be well fitted and draught proof. Purchase of our XDP Insulation Kit is recommended.
