

The details below represent the information we hold on your enquiry, that unless you have asked otherwise, will be our default value for this situation. If any of this information is not correct, please ensure this is corrected when you place your order, otherwise we will manufacture using the information below.

**SHY® ZIP® - Electric Rooflight**

SHY® ZIP SCREEN® Electric Rooflight Blind System, consisting of two square head boxes one containing cloth roll and one containing Conston tension spring units with ZIP side channels to the sides. Cloth to have welded SHY ZIP fastener, enabling cloth edges to be held captive within the side zip channel. Blind will open and close normally, without pulling free of the side channels.
