Dear Peter,

Further to our site meeting earlier I am pleased to submit the figures for supplying and installing a full cassette electrically operated "CUBA" folding arm awning finished with Anthracite frame based on a size of 7.0mts wide by 3.5mts projection.

1 x CUBA awning	£5250.00
1 x Telis 1 transmitter	£ 50.00
3 x spreader plate brackets	£ 600.00
Optional valance	£ 155.00
Optional wind sensor	£ 150.00

All figures shown are inclusive of vat and fitting.

Our terms are 25% deposit when placing your order with the balance becoming due upon installation.

As mentioned to you the Limited Edition range of fabrics is available at a discount of 20% of the "AWNING" cost, a 10% summer discount is also available until 31st July on the premium range of fabrics as per the email we received from Caribbean.

If you require any samples please let me know and I will arrange this for you.

I will get the blind figures over to you as soon as we have got them calculated, in the meantime if you have any queries please do not hesitate to get in touch.

Assuring you of my best attention at all times.

Yours sincerely

Howard Baker
