Hi Howard

Thanks for your reply. We'd be keen to move forward with this. Would you be able to visit on Tuesday or Wednesday next week (2 or 3 August)? Otherwise later on in August?

Thanks

Juniper

Good morning Juniper,

We have heard back from Velux who have identified your window and sent the following figures for a solar powered roller blind.

OPTION 1: Standard colour range	£264.00
OPTION 2: Trend colour range	£278.40
INSTALLATION	£ 60.00

*Figures shown are inclusive of VAT and based on the information sent to us.*

Unfortunately Velux are experiencing difficulty with electrical components for their blinds resulting in a rather long delivery time of approximately 69 working days .

Our terms are 25% deposit when placing your order with the balance becoming due upon installation.

If you would like us to visit to confirm the window size we would be happy to do so.

If you require any further information please do not hesitate to get back in touch.

Assuring you of my best attention at all times.

Kind regards

HOWARD BAKER
