Dear Steve,

Further to Ben's visit on Wednesday I am pleased to submit the figures for the additional blinds.

WINDOW AREA

Members Bar

2 X Manually operated roller blinds finished with Unilux fabric.
£230.00 Inclusive of fitting.

DOORS

Option 1: 2 x Perfect fit roller blinds finished with Unilux fabric
£330.00 inclusive of fitting.

Option 2: 2 x tensioned hand operated cellular pleated blinds finished with
flame retardant black out fabric.
£735.00 inclusive of fitting

Figures shown are exclusive of V.A.T. at 20%

We have checked out the roller option for the doors due to the cost of the pleated option, the drop is 15mm over specification but feel that they will make them with the possibility of a waver on the guarantee.

Delivery is approximately 4 weeks from receipt of your order with the installation expected to be completed within 3-4 hours.

I trust everything meets with your approval and look forward to your further instructions.

Assuring you of my best attention at all times.

Yours sincerely

HOWARD BAKER
