To re – cover 4 x Roller blinds in Unicolour black fabric

Labour: **£150.00**

The labour cost includes removing the blinds and delivering them to our manufacturer's who will carry out the re – covers. Then collecting the blinds and re installing. Re programming the motors will also be needed.

The motors have now been discontinued and replaced with a different version which is not compatible to your remote control and charger, any faults the motors may occur when programming we can't be made reliable.

*All figures shown are inclusive of vat where applicable.*

We can liase with our manufacturers to re cover these so you won't be without the blinds for too long.

Our terms are 25% deposit of the total figure when placing your order with the balance becoming due upon installation or within 30 days of us receiving delivery of the blinds.

I trust everything meets with your approval and look forward to your further instruction.
