Dear Leeana

What a relief to be able to finally make your payment.

A bit of a slap in the face though making it out to "Carpet Protection Ltd" when no fault of my own I've had all this grief trying to sort mine out and it's not over yet!!

Sincerely
Mrs Payn

Dear Mrs Payn,

I am glad to hear you are moving forward with issue with your carpet.

Let me know where you are with regard to the carpet – but I understand you want to retain £200 until this is resolved.

With regard to you large blind as we have said there is nothing further the manufacturer will do other than provide you with two blinds to cover the area. This would mean you would have fabric that is smoother. When we discussed this you said that you preferred to keep to one blind hence the 30% discount offered. I really cant give you any more than this but am happy to change to two blinds if you prefer.

I have attached your invoice again which you will see shows the discount agreed. It would be very much appreciated if you settle this (less the £200 you suggested until carpet resolved) I am sure you realise that the blinds have been fitted for some months. If you prefer the large blind to be replaced in two please let me know and I will arrange asap.

Many thanks

Apologies I have just seen this email, I was off ill last week so just back now.

There is a wall charger here that was left behind so when Ben collects it could he spare a few minutes to adjust the lounge controls please.

I hope this can put an end to all the inconvenience occurred.

Dear Mrs Payn,

Further to our conversation, I did try to call you back when we got cut off but with no answer. As discussed we haven't had the need to use a carpet cleaner in the past but there are several available that would be able to clean your carpet, we have used Sonnic before for general cleaning their telephone number is 626999.

If you can let me know what else you like us to do I will try to assist.

Many thanks

Good morning Carmen.

The balance is on it's way and there's a couple of things needing ironing out.

The large bay window blind hasn't been changed yet and there was some suggestion from Adrian of replacing the bottom bar to a heavier one which Ken seemed unaware of at his last visit on the 7th Oct.

I pointed out to him that the mechanism on the Allusion curtain is restricting on turning to the right and sometimes restricting when drawing them, no response was made but he is aware!

Sincerely
Mrs Payn

Thank you for your time yesterday Adrian and quote.

Seem to have gone off course a bit regarding the bay windows as my preference is blinds, don't particularly like the idea of the hanging drops when open and a curtain does restrict anything sitting on the window sills. Please include a price for the narrow windows separately, can't remember what the conclusion was about these.

I'm sure I'll come across a blind colour that matches the Allusion at the by folds.

Would you please also price me for the same blind at my bedroom window and a separate one for Allusion so I have something to choose from.

Look forward to hearing from you, have a nice weekend.

Kind Regards
Mrs Payn
