In accordance with weinor's General Terms and Conditions of Delivery and Payment, you as a specialist partner are obliged to check whether the delivered goods are complete and undamaged. At the very least, you should ensure that the cartons are complete and undamaged from the outside. This does not relieve you of the above obligation, but it makes it easier for you to detect irregularities. Only if you have the defect confirmed on the delivery note upon receipt of the goods can we grant a refund if necessary after checking the transaction.

Subject: Re: Information on Fabric

Hi again.

We are still awaiting the postcode as it's a new build.

Do you know the shops at St John by the church. There is a car parking area in front of the shops. I can meet Adrian there at 4pm Wednesday.

The builders have taken all their signs down so it's difficult to find.

Regards

Elaine
