Hi Tegan

Thank you for getting back to me, the blind that is damaged is on line 2, @ 720mm width x 950mm drop, yes both with Literise operation.

I have just had the client on the phone as the boys have been to finish fitting the other blinds, and she is telling me that

the other metal Venetians that are on your order number 20-018044 have different colour top & bottom profile bar they are brown on those 3, they all need to be in the same colour finish as it is all in the same house.

I will get photos for you tomorrow as the boys have to go back.

Also this is my fault 😞 on your order No 20-018079 Line 3 should have been in fabric Unik DuoTone 7903 please can I reorder this one as well, if there is anything that can be done on the price I would be very grateful .

Kind Regards

Jasmine Brochet
