Dear professional partner

Due to the unprecedented situation regarding the coronavirus we have had to amend our ordering conditions for all orders.

There is no despatch / delivery date given on the order confirmation.

Your physical release is need to ensure the order goes into production, please do this by emailing order@weinor.de or freigabe@weinor.de requesting release for this particular order.

If you are happy to wait until the situation improves before the order goes into production, then please wait until a suitable time before sending an email to the addresses above.

We thank you for your continued support and loyalty, and hope that we can all get back to normal trading conditions as soon as possible.

Stay safe and healthy

Your weinor team

Our spoken and written advice focuses on an explanation of the best possible use of our products and services. It does not liberate you from the obligation to check fitness of our products and services for your particular purpose. That includes the inspection of the general condition and especially maximum capacity load of fixing base as well as forwarding all respective information in addition to your order to weinor. That way delivery of the correct type and number of brackets is guaranteed. If our product can not be used as upon agreement due to false or lacking information we or any auxiliary person do accept contractual or non-contractual liabilities only in case of malicious intent or gross negligence.

In order to mount all brackets corresponding their fixing base you will need suitable mounting systems. For mounting on concrete C20/25 we recommend heavy duty anchor-systems from fischer (e.g. FAZ II M12/10 GS or FAZ II M12/30 GS). In case of mounting on any other base referred to in our pricelist or on frontal concrete ceiling we recommend the use of injection systems from fischer (e.g. FIS V 360 S). You can order them directly from us.

If you use a different mounting system or your own brackets, you will need a table of pull-out resistance of screw anchors in order to determine the working load.

This order confirmation is according to the current terms of payment and delivery.
