Good Morning Chris

Thank you for passing on this info, I would suggest the parchment or graphite fabric (parchment is the most popular option) with either a brushed silver or white headrail.

We have a blind in the graphite fabric in our showroom if you'd like to see it as a full blind.

Many thanks,  
Eliza

Good Morning Chris

I was wondering if you have had any further thoughts on the colour choices for your Allusion blinds? I'm happy to take confirmation via email if you are not able to come into the showroom.

Let me know if I can provide any more information for you.

Many thanks,  
Eliza

Thank you Chris, I can confirm that we have received funds.

When you are next available please could you drop into the showroom to choose the fabric and headrail colours? Below are pictured the colour samples to choose from.

Many thanks,  
Eliza
