Importance: High

Hello Laura,

Just picking up on this issue as our client called us to chase us.

Unfortunately, we are not able to have access to the blind as our client is currently shielding and cannot have anyone in her house.

She managed to take a picture that is a little closer, see attachment, but this is the best she can do as she is partially blind...

Could you please arrange the remake as this is now urgent.

Thanks a lot.

Kind regards

Maud

Hi Fiona,

Thank you for the attached. I can see it vaguely but we will need a more detailed photo to show to production to authorise the remake.
Thanks
