Dear Sir or Madam,

Many thanks for your order reference mentioned above.

After technical inspection you will receive an offer within 3 - 5 days.

Please note : due to a increased demand for substructure elements processing time might be slightly extended depending on the technical complexity of the enquiry or order.

Lead time for roof systems will be approximately 3 - 4 weeks, for substructure elements 6 - 8 weeks. Delivery will be aligned to the longest lead time then.

Kind regards

i.A. Chris Nicholson
