Subject: RE: MARSHALL - SO10200 - Damaged blinds

Importance: High

Hi Faye,

I hope you are well.

We are having several issues with this order...

As you can see below and might remember, you sent us 3 tape stools for the 3 blinds below:

- 2 x 745 x 1930
- 1 x 760 x 1490

This was changed and refitted.

⊗ One of the 745 x 1930 that had the tape stool changed, is no longer working and stuck down.

Additionally, another blind stopped working too: 790 x 1860. ^{→ was a remake.} The workshop manager moved a few millimetres the tape stool and is now working, for the moment...

Our client is not happy as they are brand new, and keeps on breaking, and on our side, we are spending a lot of time trying to sort out the issues.

Could you please advise how to resolve this?

Thanks.

Kind regards

Maud
