Subject: 5 Chateau des Roches

Hi Adrian,

Andy and his colleague have just left after fitting the last of our Blinds except for the mosquito screen to the Bedroom 2 en-suite.

We are very pleased EXCEPT the two Romans just fitted in Bedroom 2 remain when fully deployed an inch above the window ledge for the window behind the bed and a half inch above the window ledge for the side window.

This doesn't look right but I don't think that it will be difficult to resolve as both blinds have further material folded back over to the front above the top fixings which I'm sure can be deployed to adjust the fall to the correct height but I though that I should mention this now in case the adjustment should be made immediately lest the creases become permanent.

If this is not an issue we're quite happy to wait for the blinds to be adjusted when the mossie screen arrives.

Have a good weekend!

Adam
