Hi Fiona

Thank you for your email.

I have decided on a fabric - from the JAB/Anstoetz book called Luca (3-9586-090)

I'll send a photo of the other curtain rail at some point.

Many thanks

Nicola

Hello Nicola

Nice to meet you.

I can work out meterage required, once we have the fabric and also the pattern repeat – plus fullness – 2.5 is average for some privacy.

I can work something out basic for you. So you can price at home.

The cost of making the voiles will need to be added to this.

92" x 82" – 2 curtains = 230cm x 205cm

If you can send me an image we can also ask the workshop if they can repair for you.

Speak soon

Best Regards

Fiona
