Dear weinor partner,

Due to the high demand on weinor products it has become necessary to confirm the despatch dates for early 2021.

As it stands today, the Brexit transition period is ending on the 1.1.2021

In case the UK and the EU are not able to set up a free trade agreement, toll tariffs will apply for weinor products imported into the UK.

We want to make you aware that the following toll costs will be added to this purchase order accordingly.

Please find detailed below the proposed toll tariffs associated with our product groups. These are accurate as of October 2020 and may be subject to change.

Obviously these will become obsolete as soon as a free trading agreement is in place.

We will keep you informed. Watch out for regular news on the common channels !

Thank you very much for your awareness and understanding.
