Hello Charles

Hope you are well?
I wanted to provide you with some information as requested. Hope this answers some of the queries you have?

Colour Change Charges are additional £390. This opens up the majority of the colours available on the RAL colour chart. They can't do luminous and then metallic colours are often quite a bit more in cost.
They sometimes offer "Ultra Marineblue as an example, which is RAL – 5002 – Ultramarine Blue, Signal Blue is another common colour which is RAL – 5005 – Signal Blue.
I can get samples of these if you like? However, look to a RAL colour chart where you find the available colours are vast. I have attached the colours mentioned above.

Dark Grey PVC floor tiles are the same as all the other colours we offer (7mm PVC interlocking tiles) – All fine

The Cladding (Store-Panel) only comes in Weathered Grey. – All fine

The accessories that suit gardening are often – this can be confirmed post installation if you go ahead.

- DUAS – 010 – Heavy Duty Tool Hook
- DUAS – 011 – Heavy Duty Universal Hook – much like the above but straightened
- DUAS – 006 – Universal Hook – one of the more versatile hooks
- DUAS – 001 Single Prong hook – good with Hand tools
- Then Baskets.
