Hi Alison

Further to our telephone conversation where we gathered Adrian doesn't remember his visit with me, please find attached the photos as requested.

I must admit I had given up believing anything would be fixed/resolved with CP blinds so I'm hopeful again that something might be done now.

Many thanks

Hi Alison

Thank you for coming back to me as I had thought this matter had been forgotten for the second time.

I've had two lots of different people come up to the house but Adrian was the second to see me and did say he would find out if he could get a replacement for one of my shutters in my bedroom without having to be charged. This is the one that is water damaged and cracked.

Ive also got a damaged shutter to my lounge window that needs a slat replacing.

Would appreciate if you could jog Adrian's memory about this.

Many thank & kind regards

Michelle
