tel (representat.): 0044 (0) 7894443907

Dear weinor partner,

Due to the high demand on weinor products it has become necessary to confirm the despatch dates for early 2021.

As it stands today, the Brexit transition period is ending on the 1.1.2021

In case the UK and the EU are not able to set up a free trade agreement, toll tariffs will apply for weinor products imported into the UK.

We want to make you aware that the following toll costs will be added to this purchase order accordingly.

Please find detailed below the proposed toll tariffs associated with our product groups. These are accurate as of October 2020 and may be subject to change.

Obviously these will become obsolete as soon as a free trading agreement is in place.

We will keep you informed. Watch out for regular news on the common channels !

Thank you very much for your awareness and understanding.

Toll Tariff Number:	Description:	Toll tariff UK 2021:
55122990	Cut lenght fabric	8%
63061200	Readymade awnings with textile fabrics	12%
76109090	Spare parts Alumimium (profiles) for awnings	6%
85014020	Spare Motors	0%
85371098	(Remote-) Controlls	2%
85162999	Heaters	2%
76101000	Constructional parts, roofs, doors , windows and their frames and profiles made of Aluminium.(Terrazza, w17c, Glazing Elements)	6%

Our spoken and written advice focuses on an explanation of the best possible use of our products and services. It does not liberate you from the obligation to check fitness of our products and services for your particular purpose. That includes the inspection of the general condition and especially maximum capacity load of fixing base as well as forwarding all respective information in addition to your order to weinor. That way delivery of the correct type and number of brackets is guaranteed. If our product can not be used as upon agreement due to false or lacking information we or any auxiliary person do accept contractual or non-contractual liabilities only in case of malicious intent or gross negligence.

In order to mount all brackets corresponding their fixing base you will need suitable mounting systems. For mounting on concrete C20/25 we recommend heavy duty anchor-systems from fischer (e.g. FAZ II M12/10 GS or FAZ II M12/30 GS). In case of mounting on any other base referred to in our pricelist or on frontal concrete ceiling we recommend the use of injection systems from fischer (e.g. FIS V 360 S). You can order them directly from us.

If you use a different mounting system or your own brackets, you will need a table of pull-out resistance of screw anchors in order to determine the working load.

This order confirmation is according to the current terms of payment and delivery.
