Good Morning,

Please note that the above order has been placed on hold due to the width of the blind.

The width of the blind is over the roll width of the fabric, therefore we would need to turn the fabric. By turning this would waiver your warranty on the fabric as it could frey, bow or cup.

Also on a blind this size we would recommend 40mm tube with a continuous chain.

Please confirm how to proceed with the order and sign the disclaimer attached if you wish to proceed with the turning option.

Kind Regards

Kirstie
