Good Morning,

I spoke to the fitters and they are confident they will be able to do this if you can arrange for the silver hard wear to be sent that would be great.

Thanks Emily.

Good Morning,

Regarding the email below, this is quite a tricky thing to do.

You need to take the spring out and then all tension is lost and ensure all components have popped out.

You are more than welcome to try however we have a special tool that ensure all the components can be popped in and out correctly.

Kind regards

Emily Robinson

Good Afternoon,

I ordered the wrong colour head rail and bottom rail for the intu blinds (x3). They were ordered white but should have been Silver. Is it possible to order just the head rails and bottom rail?

Thanks

Nia

Kind regards

Nia
