In accordance with weinor's General Terms and Conditions of Delivery and Payment, you as a specialist partner are obliged to check whether the delivered goods are complete and undamaged. At the very least, you should ensure that the cartons are complete and undamaged from the outside. This does not relieve you of the above obligation, but it makes it easier for you to detect irregularities. Only if you have the defect confirmed on the delivery note upon receipt of the goods can we grant a refund if necessary after checking the transaction.

After the receiver has been returned and checked, a credit note will be issued if appropriate. Please include a detailed description of the defect when returning the receiver.
