Louisa

I am about to send over the quotation for your new orders
Please let me know this is all ok and to go ahead, so I can secure the stock

Stock update

Heather – in stock

MacDonald – in stock

Vinifera – in stock

Bash - door leveller out of stock – Mid April – split delivery ?

Balance of orders

Chasing the balance for MacDonald from previous order

Delivery charges

I am still in conversation, they are saying that if shipped to DSV we would have to pay VAT

But I am contacting their accounts department to ask if we send over POD they can claim back the VAT and we do this with other fabric houses

So there are carriage charges unfortunately, but I am making some progress

Thank in advance

Speak soon

Best Regards

Fiona

Hi Fiona

Yes please go ahead with all of the orders.

Delayed T bar to the 19th April is a bit of a problem on the last order, but not much I can do about that. The kitchen will be fully installed by then, so I'll have to use some temporary knobs.

Can we have the order that has already arrived please? I think the electrician may require the switches if you have them

Kind Regards

Louisa
