Subject: Club Room - wave curtains SO11622

Hi Lesley,

Really appreciate if we can make this work....

I believe these are the correct sizes:

Fabric: Zimmer & R Downtown 893

80mm spacing wave, unlined, railroaded fabric, **lead weight to hem** - if you have vertical weights that sit in side hems too please

1 single @ 2915mm track size x 2762mm

1 single @ 2970mm track size x 2762mm

1 pair @ 6245mm track size x 2762mm

1 single @ 3630mm track size x 2762mm

Thanks

Leeana
