Hi Fiona

Thanks for the update.

I'm happy to take your advice on this so if you could send me a quote for a like-for-like replacement I will pass it on to my client for consideration.

I don't think the existing blinds are blackout and there are curtains anyway so please price for standard white non blackout type.

Kind regards

Rod

Morning Rod

Further to our fitter being on site yesterday, he has advised that the tracks are old and broken. To repair and replace would be expensive, less cost effective as we may need to repair again. So we would recommend a replacement, Andy has taken the measurements and we can send over a quotation to you if you wish to go ahead.
