Just to note we don't pay VAT here in the Channel Islands so that will need to be removed from the final invoice.

Thanks

Hi

Please see below a link below to our data sheet which shows the difference between a face and reveal fit, also I have attached a picture of an internal face Spring and lock shutter to show how the lock will look.

Hi Matt,

I just have a quick question about this quote. My manager has asked if you can send us a picture of the fix type, it has been quoted as an internal face. The client is going to go ahead with the order but we just need to make sure everything is correct before we give the go ahead.

Thanks

Nia
