

SHY® ZIP® - Side Chain (Gravity Drop System)

SHY ZIP SCREEN® Chain operated Blind System, consisting of square head box containing cloth roll and ZIP side channels to the sides. Cloth to have welded SHY ZIP fastener, enabling cloth edges to be held captive within the side ZIP channel. Blind will raise and lower normally, without pulling free of the side channels. Operation by endless loop side chain, fitted with close spaced ball chain.

85 Box

SHY 2 section extruded aluminium Head Box 85mm x 85mm. Compatible with C33 (33 x 28mm) side channels only.

Standard Zip-Grey (Blackout)

Standard SHY ZIP in grey suitable for Blackout applications.

Child Safety - Endless loop blinds

Chain tensioners will be provided that must be used if these blinds are to be installed in premises where children aged from 0 to 42 months are likely to have access or to be present, such as homes, hotels, hospitals, churches, shops, schools, nurseries, and public places in general.

Standard RAL Colours

Powder Coating: Standard colours are White RAL 9910 (60-70% Gloss) & Black RAL 9005 (60-70% Gloss.) All other RAL colours or finishes, will be at an extra cost. Should colour or finish not be held in stock, there will be an additional cost of £200.00 + vat to cover minimum order quantity of pigment.

Fabric Welding

In response to the increased use of Low-E and other specialist glass, and in line with our policy of continuous product development, we are increasing our weld strength settings. This will not have any effect on the strength, integrity or performance of the base fabric or edge ZIP® However, the weld line will have more of a gloss appearance due to the increased heating.

Fabric Choice

SHY (UK) has a wide range of sunscreen, dim-out and blackout fabrics within its range, many of which may be suitable for this project. Please do not hesitate to contact us to discuss your requirements in more detail.
