Hi Sue

You cant have as this would need approx. 50m of fabric and we only gave you 11m. I have to assume it has been made at 2380mm (one zero removed) sadly we need 3800mm

So Sorry

Hi Dawn

We have made at 23800 track, as this is what the order states. We would have had no reason to query if this is correct.

Hi

I can see from email order below that I had added a number to the width which would have made it 23.8m wide – it should have read 3800mm not 23800mm. This was not queried with us but the curtain was made 2380mm meaning it is too narrow. Do you know why?

I need to get this remade asap, I have ordered more fabric to be sent but please can you remake this urgently

Look forward to hearing back from you

Thanks

Leeana
