Page 5 of 9

Dear Sir or Madam,

due to the fact that weinor does not provide assembly nor knows about and / or analyses local conditions it is the retailers responsibility to consider the snow load according to the assembly site.

Please make sure to apply the respective national regulations DIN 1055-5 [2005], Ö-Norm B 1991-1-3:2006-04-01 [April 2006] or SIA 261:2003. Being retailer and partner of weinor you are entitled to decide on the type of patio roof suiting the local conditions. Use additional posts and specific material to increase the possible snow load. Please see our price list for snow load for further information.

If applicable we recommend to do a static test. Please make sure to know the current local snow load regulations before mounting our products.

In case the cooperation of a weinor staff member is enlisted, this has a consulting relevance only. It is not replacing the responsibility and activity of the specialist engineer according to VOB at any stage of order processing from survey to final acceptance. The ordering specialist contractor remains responsible for the taken measurements and checking of the order confirmation.

Our consulting service in spoken and written aims to achieve to explain the best possible application of our products and benefits. Thereby you are not relieved from your obligation to assure yourself of the applicability of our products and benefits for the intended purpose.

In particular this concerns the inspection of the general characteristics and especially of the bearing strength of the fitting surface as well as the transfer of all information in this regard to us together with the order.

Only by this it will be guaranteed that all the necessary technical premises for this building element will be complied with.

Please make sure that appropriate unloading equipment is available on location for the aforementioned consignment. The consignment contains at least one individual carton with a dead weight in excess of 150 Kg.

This order confirmation is according to the current terms of payment and delivery.

1	1,00	2851	w17 easy - the full glass sliding door
---	------	------	--

Dear weinor partner,

Thank you for ordering a sliding glass wall w17 easy, which consists of various glass elements.

Please note:

Moisture on the glass elements can lead to visual conspicuities, such as condensation marks. Such visual conspicuities can only be avoided if the panes are delivered in a dry condition and it is essential to ensure that the glass elements are stored and transported in a dry condition during subsequent storage or transport to your customers.

If you discover any defects/damage upon delivery, you must notify us immediately and make a notation on the delivery note. Otherwise, the goods will be deemed to have been approved.

Please also note our information on glass in the download center in the specialist partner section.

Your weinor team

Please check your order for correctness of the amount and type of the necessary wall gap sealing profiles and of the post alignment profiles.

2	1,00	2851	w17 easy - the full glass sliding door
---	------	------	--

Dear weinor partner,

Thank you for ordering a sliding glass wall w17 easy, which consists of various glass elements.

Please note:

Moisture on the glass elements can lead to visual conspicuities, such as condensation marks. Such visual conspicuities can only be avoided if the panes are delivered in a dry condition and it is essential to ensure that the glass elements are stored and transported in a dry condition during subsequent storage or transport to your customers.

If you discover any defects/damage upon delivery, you must notify us immediately and make a notation on the delivery note. Otherwise, the goods will be deemed to have been approved.

Please also note our information on glass in the download center in the specialist partner section.

Your weinor team

Please check your order for correctness of the amount and type of the necessary wall gap sealing profiles and of the post alignment profiles.

-	: ATTENTION! Element is supplied with glass!	
Anticipated delivery	: 21.03.2022	
Product use	: private house	
Width of element [mm]	: 3710 X 2395	2.718,00
type of floor rail	: flat floor rail with drainage holes (for outside)	101,00
CleanCase left (from inside)	: no	
CleanCase right (from inside)	: no	
Selection of leaves + tracks	: 4-track with 4 leaves
