Betreff: WG[trans-alle]SO13499 Kean Receiver replacement from Org Order SO8290

Dear Natia

I hope all is good.

We had a call out today to a customer with an Opal Design II awning.
We installed May 2019

My fitter has advised the receiver is no longer working and will need to be replaced.
Does this fall under the warranty period or will it be at cost?

I have attached a photo of the receiver we require.
Please can you advise and how long it is for receivers at the moment (I know its quite some time)

Ref SO13499 Kean = Original SO for install = SO8290

Thanks 😊
