Hi Scott,

I've just bubble wrapped up an insert strip I've found, logistics will get that onto your delivery to the docks on Monday, it's over 1600mm so will just need to be cut down on site to size.

Kind regards,
Adam Rolph

Good Morning Adam,

I need 1 x Internal Frame Bead 1600mm Pure White.

This was meant to be sent to us a few months ago for a customer but we never received it.

Do you have one you can possibly send down to our stores here in Jersey please?

I look forward to hearing back.
