Good morning

Please see factory query below for the above EDR

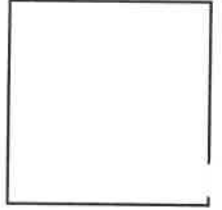

For Line47 original is regular shutter with LR panel configuration, not double hung, but you say "RHD Top section – Right Hand panel needs replacing ", please confirm if submit wrong line# or wo#? If no, please confirm if need this line item to replace right panel(panel#2) only?

Per your last reply, so the line39,11,27 will replace right panel, line34,12 will replace left panel, ok?

Kind regards
