Dear Nia,
That's great. We also want a chair seat covered in the same fabric and may need to discuss the lining as the curtain acts as a draft excluder.
Will send photo of chair.

Dear Nia,

We have decided to go ahead with a door curtain in the Scion Berry in neutral, tangerine etc. Andy has done the measuring. If the supplier can supply the material all we need to do is come in and discuss lining and the tie back.

Please let me know if the material can be supplied. We had curtains made by you in the last two years using a Scion fabric, Blomma. Would be great to have the Scion Berry in neutral/ tangerine. Do let me know.

Best wishes,
Wendy

Good Morning Wendy,

We do not have any samples of this fabric as it is not from one of our main suppliers. I have tried calling them but no answer so have emailed them to ask for a sample of Scion Berry in neutral/tangerine and lime emerald. When I get a response I will let you know if they can send a sample and when it will be in.

Kind regards

Nia

Dear Scott,

Friday at 12.30 will suit perfectly. Thankyou very much for sorting this. Looking forward to the repair.

The samples I would like are Scion berry tree curtain fabric in neutral/ tangerine and lime emerald. If not possible for Andy to bring those, we'll pop in.

Andy can measure for the curtain if that is within his remit.

Best wishes,
Wendy

Thankyou. John Lewis do the fabric if that helps. Don't know if you can buy it from them and you make the curtains?

Look forward to hearing.

Andy did a great job when he was here doing servicing and repairs.

Best wishes,

Wendy
