Morning Rachel,

Great news on this job being a go ahead, look like a good job.

We have most of the information that we will need but can I ask you to send over a good selection of photos showing the internal roof space and exterior of the space?.

We need these on any submitted job to make sure we can assess any obstructions that we need to work the design around. Lastly we also need to confirm the construction of the box gutter.

Re the 20%, we will add this into the RRP given to the client. The client can mix and match colours as they please but duplex colours (ocean) come in at 15% more than the base options.

If you can please send all of this info over and let us know if you have any questions and we can take it from there.

Thanks

Matt
