Subject: RE: parasol query
Attachments: Vortex Installation Instructions V3.0.pdf; 4.2m Vortex parasol Structural .pdf

Hi Leeana,

The Vortex price lists are as follows,

- 3.6m sq £3070 each ex vat
Heat and light package £1210 per parasol ex vat
4 x Victory Lighting 1.5kW electric IR heaters
1 x Solamagic 4 x LED spot lights, 1 x Heater hub to connect up to 4 heaters
- Inground base Fits all Vortex parasols. To be set into concrete. 500mm £140.00 each ex vat
Inground base Extended version 1200mm £240.00 each ex vat
Inground base Reinforced version 700mm £300.00 each ex vat

The 1200mm base was developed for a client who wanted to use an auger to create a small deep hole for the base to fit into.

I have also attached the Vortex instructions and the original structural calcs.

Best regards

Ian
