Warnings

Sealed hembars show the face of the fabric on both sides of the shade. On dual-sided fabrics with a different color backing, this may create an inconsistent look between the fabric on the hembar and the color on the back of the shade.

1 Line: 1

Please be advised that at least one of the selected fabrics contains fiberglass, and as a result, may be susceptible to edge fray. Please refer to Lutron Application Note 411 for more details on managing edge fray.
