Hello Mike,

Please find attached quote for your attention.

Please note: Each January there will be a price increase, however this year these are more significant due to worldwide supply chain and shipping problems throughout 2021, because of the pandemic, resulting in a significant rise in material and shipping costs. Therefore, please appreciate any orders placed after shutdown will need to be re-quoted to reflect this

Should you have any queries, please don't hesitate to get in touch,

Kind regards

Sonya
