Subject: RE: Remote in bedroom

Hi Rachel,

Great thanks, our builder has confirmed that the window code is SK01. Happy to go with the solar if that is Adrian's suggestion. Not 100% sure on colour but it needs to be blackout. Maybe white would be best to blend in with the ceiling and frame, what do you think?

Thanks,
Charles

Hi Charles,

Yes of course we can supply and install for you, do you have the code for the window size? Adrian would suggest the solar powered over the motorised as they are less expensive and won't have to have an electrician involved. But happy to provide either for you.

Kind regards

Rachel
