Notes : window treatments (budget) needed for bungalow they're living in whilst works are been done to their '60's house they bought last year- I suggested intu blinds for bungalow as she said its tilt and turn windows.

client needs advice on the 60's house but a building site for now- client wants mortised blinds to kitchen but open to suggestion for the rest of blinds- their architects recommended us for blinds- they can show you plans of proposed extension for advice.
