Adrian,

Just looking at the visuals and it shows the roman blinds are on the outside. Does this cause an issue having them electric. Also we have a roman blind next to a shower will this cause a condensation issue?

Regards

Hi Adrain,

No problem, do you want PDFs or do you prefer cad drawings?

Hi Lloyd

Nice to look around your new project and congratulations on the upcoming baby

Don't forget to send over the plans so I can get the blind space boxes sorted for Paddy.

Thanks
