Grande 63mm, face fix wood brackets are handcrafted in our Nottingham workshop by skilled craftsmen; layered with colour to create 7 traditional finishes of antique gold, champagne silver, ivory, pewter, putty, oak and cotton. Grande is mix and match pole collection, allowing you to build a custom pole that meets your exact requirements - order your pole, rings, brackets, finials, holdbacks and draw rods separately to complete your pole. We recommend using a centre bracket for poles 240 or longer; if you wish to join two poles, please ensure you also use a bracket in the centre to cover the join and give extra support.

Client will order when she is ready.
