Recovers & Refurbishments:

Please note that although every attempt is made to fully assess all awnings prior to works starting, it may be found that additional repairs are required. For example, rotten timber, rusted/damaged internal springs or fractured metalwork.

Products/installations comply with safety aspects with European Standard **EN13561**.

Deans are licence holders for the disposal of non-toxic waste and any items removed from site will be disposed of appropriately.

Deans Blinds are accredited holders of the CHAS (**Contractors Health and Safety**) assessment certificate.

Dean's employees are all trained to be qualified under the **Investors In People** award approved training system.
