Hi Neil,

I believe you spoke with Tracy earlier this week in regards to the quote.

Please let me know if you have any questions about the photos I sent you last week. I have attached the quote for the supply and fitting of the Roman blinds with your own fabric. I have removed the pelmet flap from the quote.

As I mentioned in a previous email, unfortunately we can't start the process until the fabric has arrived and the deposit has been paid.

By all means, please contact us if you need any further information.

Kind regards

Tamara

Hi Tamara, my 1st question is - "*The blind makers have recommended that the blinds have no pelmet flap*" - what does that mean please, and do you have a photo of how that might look ? How does it look with a pelmet flap ?!

Thank you.

Neil

Hi Neil,

Thank you for letting us know. Unfortunately, the process can only be started once the fabric arrives and the deposit is paid.

The blind makers have recommended that the blinds have no pelmet flap due to the heavy pattern of the fabric. The reason for this is that it would be impossible to match the pattern on the pelmet and the top of the blind unless you add an extra metre of fabric.

I hope this helps but please let us know if you have any questions.

Kind regards

Tamara

Hi,

I have ordered the material, which should take about 3 weeks to get here. Can I book in to have the blinds made up now, rather than wait until the material is here, and then have to wait another while before they are made up ?

Many thanks and kind regards,
Neil

Hi Neil,

Apologies for the delay.

I have added some notes to your questions. Please see below.

- Looking at your quote, and just to be sure - it's 5m of fabric for both blinds ? Yes, you would need 2.5m per blind
- How much extra would we need for 2 x 17 inch cushions please, and can you make up the cushion covers for us ? You would need 2m extra (1m per cushion). I believe we could, I will check the price and will get back to you.

Please let me know if there is anything else I can help you with.

Kind regards

Tamara

Hi Neil,

I have checked with Rachel and she has advised that it would be easier for you to order the fabric. Please note that there is a handling fee of customer's own material of £5 per metre.

If you have any other questions, please let me know.

Kind regards

Tamara

Hello,

we are looking at a Liberty fabric - Faria Flowers in colourway Lichen. Is this something you can order for us, or would it be easier for us to order it and pass it to you ?

If you can order it, what price would it be please ?

Many thanks
Neil

Hi Neil,

That was lucky! The samples have just arrived however the large samples were out of stock, so we have received several small ones.

Kind regards,
