Good morning Graham

Further to your email below we have reviewed as requested, all appears to be satisfactory, however we do have a couple of comments to make as below:

- All Velux Integra blinds to have white frames to match the main unit frames. Also just to confirm that these blinds will be the Velux Integra units to be controlled electronically.
- Bedroom 3 D-0-03 blind is to be 3%.

We trust the above assists, however please do not hesitate to contact us should you have any further queries.

Thank you and kind regards

Ollie
