**Subject:** Re: Curtains and final measurement for shutter

Hi Tamara

We're very well, thanks. Hope all good with you too.

Our decorator is John Poole (0779771 2383).

We'd like to go with the first image for the curtains ie keep all the leaf pattern.

Thanks  
Louise

Hi Louise,

I hope this email finds you well.

I believe my colleague Scott has emailed you to let you know the wallpaper has arrived and is ready to be collected by your decorator. Would it be possible to have his number as well? The reason for this is that the shutter factory is requesting an additional measurement and we would like to send Adrian when your decorator is there to quickly pop in and take it.

Everything is in progress and the fabric has been ordered, etc., but as the fabric drop is bigger than the curtain drop, the curtain makers would like to know how you would like them to cut the fabric. My colleague Rachel has prepared the below pictures so that you know exactly what we mean. If you could please let us know, that would be great, or if you have any questions, please do not hesitate to contact us.

Kind regards
