Good morning Rachel,

We are able to do this but the freight will have to be properly secured to the pallet ready for the onward shipment to Jersey.

The price of this will be £180.00 + £6 DSV Protect if you take this cover. This is based on a 120 x 100 pallet. If there is any overhang or the pallet is larger then the charge will increase.

We would need a full delivery address and the dimensions of the pallet to proceed.

Best regards,

Hi Victoria,

Scott has passed me on your details as said you might be able to help out with a collection/delivery 😊

We are looking at getting a few items for our a client of ours and our showroom from Coach House which is based in Accrington. The minimum order is quite high for delivery and only need a few items for a client.

There is 2 small metal side tables, a couple of cushions, 2 mirrors, couple of lamps and a few other small bits. Estimate it to fit on a pallet.

Could you please advise if this is doable and the cost of collecting/delivering to us/time frame? Our client is on a bit of a deadline for the next 10 days so hoping this might be doable.

Look forward to hearing from you

Kind regards

*Rachel*
