Good morning Colin,

I am working on your quote but I need the drop as well in order to be able to prepare it. If you could please send these through, that would be great. Many thanks.

Kind regards,

Tamara

**Subject:** electric curtain tracks and blinds

as per telecon, I attach a set of pictures with measurements for curtain tracks.

We are interested in the Somfy battery powered ones and blinds to save having to run electric cables everywhere

Any queries I can be reached on 7741470 or 07797 713055
