Hi Tamara,

Please could you revise the quote for:

4 x blackout roller blinds, in white (1025) £280  
1 x duo blackout roller blind, in white (1025) £92  
1 x venetian blind, white (7001) £92

All should have the white painted aluminium sides/frames.

Also, no need for the installation as this seems pretty straight forward. We're going to see how we get on with these and might get the exterior heat awning blinds at a later date.

Thanks  
Josh

Good morning Josh,

Yes, we do. I don't think they will be taken today but if you let me know when you can come to grab them, I'll make a note for everyone to know.

Kind regards,

Tamara

Thanks very much.  
Do you have samples in your shop with different colours?

Thanks

I'm looking to get some blinds for Velux ref GGL CK04. This will be 3 different types of spaces:

- bedroom
- en suite bathroom
- office/starewell area RFL, RUL, RSL Translucent

We are thinking that black-out is probably the way to go for all of these as even the bathroom and office space are very near the bedroom, but I was wondering if you could let me know if you have any suggestions?

Please could you let me know what price a blind would cost for this size window and what different options you have?

Also, for the bathroom one, is there such a thing as a blind that would be best suited for the bathroom re being more resistant to damp?

I can see on the velux website that they have some options to deflect some of the heat. Do you have any options that do this?

EXTERIOR

Thanks

Josh
